

# It's time to get ready for Medicare.

## Look forward with confidence.

Congratulations on your upcoming retirement! Get ready for new opportunities – and a new way to get your healthcare. Medicare is different from the health plans you've had in the past. Medicare is complex, and it can be confusing. Relax – Anthem is here to help.

### **Move to Medicare without worry or hassle.**

Anthem's certified Connecticut licensed agents can help you understand Medicare and the choices you'll have to make. We'll answer your questions and help you get the right coverage for your health needs, lifestyle and budget. There's no cost or obligation for our services.

### **Protect yourself against high medical costs.**

Original Medicare doesn't cover everything. Without extra protection, you could pay thousands of dollars in deductibles, copayments and other expenses out of your own pocket. That's why most people sign up for a Medicare Advantage or Medicare Supplement plan that helps cover what Original Medicare doesn't.

### **TIP! Get a customized plan recommendation.**

When it comes to choosing the right Medicare plan, Anthem members have an advantage. Your history with us matters. Our exclusive PlanMatch tool uses your information – including costs, doctors, prescriptions and where you receive care – to recommend a plan for you. There's nothing to look up or type in. Go to [www.anthem.com/movetomedicare](http://www.anthem.com/movetomedicare) to find the right Medicare plan quickly, easily and confidently.
